Hi Kevin,

Checking in one last time. I'm under tremendous pressure to share the letter but I won't if it puts you or OEI in a bad spot. If I don't hear from you by noon CST, I'll assume that OEI doesn't have a problem with my sharing it and send it to our PR manager in Japan. Thanks

Hi Kevin,

We are getting some questions from Japanese media about where we are in the RFR process. I'd like to share the stay letter you sent with our PR folks in Japan but wanted to check with you first to make sure it was okay. As far as I'm aware it hasn't been posted anywhere on the agency's website and we haven't shared outside the management of the company. Please let me know when you get a second. Thanks, hope you're having a great week!

Patrick

Thanks for that, Patrick!

By the same extension, if questions arise on how this IQG process is being managed, don't hesitate to give me a call!

Kevin

Hi Kevin,

Thanks for sending this along, I'll send it around to our folks here. Again, if anything changes or your office has questions or concerns, please reach out to me anytime and we will discuss.

Take care!

Hello Patrick,

On behalf of Vaughn Noga, EPA's Chief Information Officer, I would like to follow-up with you regarding your submitted request for reconsideration (RFR 17002A) following the meeting held at Research Triangle Park June 12, 2019.

Best regards,

Kevin
